Class History

Before departing from our beloved Dillsburg High School, never again to return as students, we find it proper to leave behind us, among other things, our Class History.

Now we are Freshmen:

In September, 1947, sixty-two bewildered students met together for the first time in the assembly rooms. We were welcomed by a new faculty and a new principal, Mr. Evans. At our first class meeting, with Mrs. Hollenshead and Miss Sultzbach as home room advisors, we elected these officers:

President.....John Mowery
Vice-President.....Richard Bricker
Secretary.....Erdean Zeigler
Treasurer.....Barbara Hoff
Historian.....Delores Knaub

During September the school sponsored its annual magazine drive. Our class sold the most and we were feted with a dance at the Wellsville Community Hall.

In October we made plans for the Farmers Day celebration. We entered the two floats "Betsy Ross" and "The May Queen" in the parade and they won first and third prizes respectively. Our refreshment stand was located in front of Krall's Drug Store. We made a nice profit and lots of fun was had by all.

At Christmas we exchanged names and held our party in the Home Ec. Room.

The second semester we greeted Mr. Willis Ramsey of York, who taught Freshman mathematics and languages.

On March 4th we sponsored a skating party at Haar's roller rink. During the year several of the members of the class drew up the Constitution. We also chose our class colors of Navy Blue and White. Our school dances were held at the Allenberry Inn with music furnished by Will Fisher's Orchestra.

We ended our first year of school with a picnic at Hershey Park.

We are Sophomores:

Returning in the fall of "48" after a summer's vacation, we settled down to our Sophomore year, with Miss Stauffer and Miss Statler as home room advisors. The number of class members dropped to 52. Jean Duncan moved to New Cumberland and John Castle moved to Carlisle.

At our first class meeting the following officers were elected:

President.....Erdean Zeigler
Vice-President.....John Ryder
Secretary.....Shirley McClure
Treasurer.....Joan Nesbit
Historian.....Delores Knaub

On September 29 we had a hayride and then went to Williams Grove Park for a wiener roast. Even though it rained we had a wonderful time.

In October our thoughts again turned towards Farmers Day. We entered the two floats, "The First Thanksgiving" and "Winter

Wonderland" in the parade. They won first and second prizes. All in all we made a large profit.

The class presented the one-act play, "Culcha", in assembly in November. Everyone enjoyed themselves while working on it.

We had two skating parties this year. They were on January 13 and April 27. These were evenings of fun, spills and thrills.

The school dances were held monthly at the Allenberry and were very well attended.

Members of the class who took part in the school operetta, "Love Goes South", were Joyce Lerew, Joan Nesbit, Shirley McClure, Charlotte Spangler, John Mowery, Gene Yost, Marian Hess, and Beverly Rosenberger. The latter had the leading role.

In March we ordered our class rings from the Union Emblem Company of Palmyra. We chose the "Rocket" pattern.

We were proud to have some of our classmates on the varsity baseball team. They were Gene Hershey, Charles Rhodes, David Rhodes, and Guy Myers.

The year again ended with a picinc at Hershey Park.

And now we are Juniors:

We started school this year with 47 members. Room 3 was our home room with Mrs. Habig as class advisor.

At our first class meeting these officers were elected:

President	Erdean Zeigler
Vice-President	Marshall Smith
Secretary	Shirley McClure
Treasurer	Nancy Krall
Historian	Delores Knaub

The class sold the most magazines in the annual drive and along, with the Freshmen were guests at our first dance at Allenberry.

We entered two floats in the Farmers Day Parade. They portrayed "The First Thanksgiving" and "Christmas Eve". These won 1st and 2nd prizes. Our decorated car won 1st prize also. We also entered them in Mechanicsburg's parade, winning 2nd and 3rd prizes there. Our refreshment stand was in front of Krall's where we chanced off a radio. A large profit was made to be used on our Senior trip.

On November 10 we sponsored a skating party at Haar's rink.

Our Christmas party was held in Room 3 this year and the class exchanged gifts.

In January we ordered our jackets, sweaters and caps in our class colors, blue and white, from the Union Emblem Company.

Dances were held monthly at the Allenberry and students were permitted to bring guests.

Several members of our class played on the soccer and baseball teams and their efforts were greatly appreciated by the class.

In March the school presented the play "Tattletale" in the Dillsburg Community Hall. Our class sold refreshments and provided the ushers. Several of our members were in the cast, also.

On May 19th, our Junior-Senior Prom was held at Allenberry Inn. Each student was permitted to bring a guest.

A picnic at Hershey Park ended the year.

At last we are Seniors—

Think back to four years ago. It doesn't seem possible that we are now seniors. Forty-one members started their last year of high school in Room 4 with Mr. Kaup as class advisor.

We participated in the Magazine Drive and with the Sophomores had the privilege of selling the most.

On October 10th we had our pictures taken at Ensminger's Studio in Harrisburg.

The class chanced off a radio and camera at Farmers Day. Our float, "The Snow Queen", won first prize in the parade. The class is proud of the fact that for four years in a row we have won first prize in floats. Our other float, "Stars and Stripes Forever", did not win anything. Our decorated car won 4th prize. A nice profit was made and fun was had by everyone.

The "Panorama" staff was named with Joyce Lerew as Editor-in-Chief.

Our dances were again held at the Allenberry monthly and students were allowed to invite guests.

The school presented the play, "Cheaper by the Dozen", in February.

The class sold sweatshirts, jerseys, and bandanas with emblems on them.

The Senior play, "Little Women", will be given in April in the Community Hall. We leave on our trip to New York on May 21.

Baccalaureate Services will be held May 26 in the Lutheran Church and on May 29 Commencement will be held in the Community Hall.

And now we bid farewell to our beloved Alma Mater.

Class Prophecy

Tonight, June 3, 1961, we are gathered in the coral room of the Sunset Hotel in Bermuda; it is the reunion of the Class of '51 of Dillsburg High School.

The centerpiece on the main banquet table is a large '51 from which blue and white streamers are passed to the place cards.

The meeting is called to order by the President, Erdean Zeigler, who is the bookkeeper for Governor Fine.

The class secretary, Shirley McClure, is busy taking the minutes. She is married now but has her R. N. and is practicing in a Philadelphia hospital.

Nancy Krall, the class treasurer, is the chief engineer at the Capital Engineering Corporation in Dillsburg after finishing the course at Drexel Institute.

John Ryder, vice-president of our class, instead of becoming a machinist, has taken a position with the Trailway Bus Lines.

Delores Knaub, the class historian, has completed her college education at Millersville State Teachers College and is teaching at Hershey Elementary Schools.

The officers of the class of '51 are to be congratulated on the fine work and time they have rendered to our class and toward making this reunion a success.

Let's look around now and see what the rest of our classmates are doing.

Helen Bricker is married to an Army officer and lives on the Middletown Air Base.

Richard Bricker joined the Air Force after graduating and is now a pilot. He is stationed at Paris Island at the present time.

Janet Binner has finished her four years at Millersville and is teaching at Western, where she spent her first years in school.

Raymond Deardorff is a contractor and is busy at work with the new consolidated school.

Ralph Diller, always restless, is now traveling out west after inheriting a fortune.

Shirley Dick, instead of becoming a nurse, is now married and living on a beautiful farm in the Barrens Valley.

Patricia Graham is also married and is helping her husband in their restaurant.

Bertha Ann Gross is a painter for the Modern Pottery Company in Pittsburgh. She teaches painting in her spare time.

The class is proud of Eugene Hershey who has become an ace pitcher for the New York Yankees. He has aided them a great deal in winning the World Series.

Marian Hess, who attended West Chester State Teachers College, is teaching music at our Alma Mater.

Rae Jones and Jean Myers are now nurses at the Harrisburg State Hospital after finishing their training there.

Henry Kapp, Mearl Zeigler, and Eugene Yost own a large Esso service station in Harrisburg and it is said they give you good service.

Joyce Lerew has finished her schooling at Penn State and is now working as a medical technician for a doctor in the John Hopkins Hospital.

John Mowery, always a pianist, is now playing with Vaughn Monroe's Orchestra.

We're lucky to have with us Guy Myers and Charles Ditmer who are professional race drivers. They had a bad accident two weeks ago and were lucky enough to escape without too many bruises.

Joyce Nesbit and Charlotte Spangler are now married. Charlotte is her husband's private secretary while Joyce is testing recipes for Good Housekeeping.

Joan Nesbit and Treva Small are secretaries at the Department of Public Instruction in Harrisburg.

Darlene Smith is married and living on a large chicken farm. She has twin girls.

Lawrence Shank and Lewis Otto now own a large dairy farm in partnership. They have won several championships at the Pennsylvania Farm

Ralph Rider is married and owns a barber shop in Rossville.

David Rhodes is now a gunsmith for the James Brothers while his twin brother Charles is a scientist in one of the General Electric laboratories in Pittsburgh.

Beverly Rosenberger and Arlene Stough won honors on the Horace Heidt Show and are traveling with them now. Beverly is a soloist while Arlene is accompanying the orchestra.

Nancy Pipher and Nora Townsend are secretaries for lawyers in York.

Nancy Trostle is married but holds her position as a supervisor at the Bell Telephone Company in Harrisburg.

Robert Reasey is an artist for Paramount Studios in Hollywood. He did most of the printing and art work in the yearbook.

Johan Ralston is now a member partner of Lefever Brothers.

Agnes Thran is still as quiet as ever while she does her duties as secretary to Mr. Evans.

After looking back over a decade of history as made by the class of '51, our prophecies have been

Class Poem

The music swells above the trees,
To bend their emerald boughs
In tribute to the honored few
Who humbly swear their vows.
The anthem's swelling note of praise
Re-echoes on our ears:
The Alma Mater's lulling strains
Ring out through mists of tears.

Upon the threshold of our lives
We stand, forever free,
Like ships that leave the sheltered bay
To face the toilsome sea.
The years of high school are behind
Us few who face the world.
The flashing banner: blue and white
Henceforth, for us, is furled.

We leave behind the honored walls:
We leave the empty chairs.
Our steps will no more stir the halls
Nor wake the sleeping stairs.
We leave behind the verdant green
That decks the campus now;
We leave behind the scarlet birds
That sing in yonder bough.

But now our campus is the world,
And gardeners all are we;
And we must plant our little crops;
And work on land and sea,
To nourish for the harvesting
The seeds we garnered here;
And spread throughout our current world
Our crops of help and cheer.

For when the world remains the same,
When it improves no more,
The task of this, our high school,
Is then forever o'er.
The world must change and readjust
For all new minds that come;
And when these minds grow cold and still;
It yet must alter some.

We'll say "Goodbye", we honored few,
Our lives are straight ahead
And we must choose the actual path
That we most wish to tread.
But if we're not the leaders there,
If we're but of the mass
We'll work and strive our whole lives through,
The leaders to surpass.

"Tattletale"

Our school play, "Tattletale", was presented on Wednesday and Thursday nights, March 15 and 16 in the Dillsburg Community Hall. It was given each night before a capacity audience.

Principal roles in the play were taken by Mary Nelson, John Ryder, Darlene Smith, and Jay Knisely.

Others in the cast included Kenneth McCurdy, Helen Bricker, Joyce Lerew, Lindy Fetrow, David Karns, Nancy Krall, Nancy Trostle, Mearl Orner, George Lehmer, Beverly Rosenberger, Patricia Graham, David Tracey, Margaret Jones, Clair Orner, Kay Gasswint, and Kenneth Hollandsworth.

Musical presentations were presented between acts by Arlene Stough.

The story of "Tattletale" revolves around Patty Blaine played by Mary Nelson. She borrows a typewriter from the school office to do a script for a novel. The office reports the machine stolen.

When Patty is ready to return the typewriter she finds someone has smashed it. Deciding to buy a new one, she tries to sell her novel, but instead of mailing in her script, sends her diary by mistake.

The diary reveals some startling things all of which have gone to make "Tattletale", a fine evening of entertainment.

Junior-Senior Prom

May 19, 1950

It was a lovely evening in May when the Juniors and Seniors were all dressed up in their formals ready to go to the dance at the Allenberry Inn.

Before the dance there was a hurry and scurry while the girls were busy filling their programs. All enjoyed dancing to the dreamy music of Will Fisher's Orchestra. The hall was beautifully decorated in pastel shades. It added a spring atmosphere to the dance. A ravishing dinner of baked ham, home baked lima beans, and potato salad was served during the evening.

Dancing continued until midnight. Then everyone prepared to leave, agreeing that this had been the best Prom ever held.

SCHOOL DAYS . . .

They cement many lasting friendships. Soon you and your classmates will take different roads, and it may be years before some of you will meet again. School days do not last forever--and when they are past, memories are kept warm by the photographs of friends of the classroom and campus.

Your chums should have a "personality portrait" of you, and so you will prize one of theirs in return. In a year or so you will be glad you took this means of keeping alive the memories of your school days.

And the home folks will always cherish a portrait of the "turning point" in your life.

This studio is the headquarters for the special photographic work and the doors are open to students of the Dillsburg High School and their friends.

Why not arrange to come to the studio now and have that photograph taken?
